## SALVATION

If you are not a believer in Jesus Christ, or aren't sure and would like to become one, then you need to believe that Jesus Christ was and is the Son of God, that he was God who became a man, that he lived a sinless and perfect life, keeping the Law of God perfect in every way, that he kept faith perfectly, and that he was crucified on that cruel cross for your sins, mine and the entire world - he died for our sins! His death on the cross paid the penalty fully, one time for all sins that we have ever committed and that we will ever commit. He died; he went down into the bowels of the earth, even into Hell, and was raised from the dead on the third day in a resurrected, eternal body. He ascended back into heaven, was seated at the right hand of God, and is now Lord over heaven and earth. He is coming again to judge the world, to raise the dead, where he will give an eternal, resurrected, glorified body to everyone that has believed on him as their Lord and Savior, and to establish his kingdom one earth.

You come become a Christian right now as you read this, by personally placing your faith and trust in Jesus Christ as your Lord and Savior; believing that he is God's only begotten Son, that He died on the cross for you and that he was raised from the dead and is now seated in heaven at the right hand of God the Father. *"Believe on the Lord Jesus, and you will be saved.."* [Acts 16:31a](#) And when you do trust Christ, and Christ alone, as your Lord and Savior, then go to God the Father in heaven in prayer and tell him so. Tell him that you have believed on his Son, thank him for his Son, and thank him for forgiving your sins and saving you! *"That if you confess with your mouth, "Jesus is Lord", and believe in your heart that God raised him from the dead, you will be saved. For it is with your heart that you believe and are justified, and it is with your mouth that you confess and are saved."* [Romans 10:9,10](#) *"For; "Everyone who calls on the name of the Lord will be saved."* [Romans 10:13](#) *"Therefore, being justified by faith (declared righteous), we have peace with God through our Lord Jesus Christ."* [Romans 5:1](#)

## July 2018 Newsletter - Wearing Believers Out

Daniel 7:25, "And he shall speak great words against the most High, and **shall wear out the saints of the most High**, and think to change times and laws: and they shall be given into his hand until a time and times and the dividing of time." -

וּמְלִין, לְצַד עַל־יָא (עֲלָאָה) יִמְלֵל, וְלִקְדִישֵׁי עֲלִיוֹנִין, יִבְלָא; וְיִסְבֵּר, לְהַשְׁנִיָּה זְמַנִּין וְדַת,  
וְיִתְיַבֵּב בְּיָדָהּ, עַד-עֲדָן וְעֲדָנִין וּפְלֵג עֲדָן.

To **wear out** is the pael future of the Chaldean word *b<sup>e</sup>lâ'*. It is related to the Hebrew word *belah*, which means to fail, to wholly be brought to nothing, to waste away, to be consumed with cares, to become old. If used of **garments** it refers to clothes that fall away like rags due to age and wear, when used of **people** it refers to people who waste away due to sickness, aging, worry, or pressure.

It is found in the pael stem, which is the equivalent of the Hebrew piel stem, which **intensifies** the whole thing. The KJV expresses it well when it translates it as **shall wear out the saints**. Remember this will be, (is), a very intensive thing. When the expression "wear out" is used with **things**, it means that they are no longer any good, or in working condition. When used of **people** it means that they are completely exhausted.

Wearing out is also a good expression because it carries with it the idea of something has been going on for a long period of time and not just overnight. Something that happens quickly, like an accident, or a debilitating injury is one thing, but being worn out means that this has been going on for a long period of time grinding the individual down.

As Job said in Job 14:19, "As **water wears away stones** and torrents wash away the soil, so you destroy a person's **hope**." He described how his hope was eroded over the months of trial and suffering he went through, only it wasn't God who was doing this, but Satan! This reveals one of the tactics that Satan uses against believers - to wear them down.

One can become worn out due to going through a trial of much sickness and suffering, or going through a time of never ending pressure, or from having to deal with social emotional problems of a personal nature, or going through a prolonged period of serious financial trials. Anyone of these will cause a believer to become worn out and left in a fragile condition.

The ones who are being worn out in context are the saints of the most high. The word for **saints** is *qaddîysh* and it meant those whom God has set apart from the world system to give to his Son, or today we refer to them as believers in Jesus Christ. The one who will be wearing these saints out is the little horn, or also known as the antichrist.

Currency, work situation or employment, social norms, oppressive laws, demonism, the type of people one must live around, apostasy, the Holy Spirit no longer restraining evil, the spirit of delusion at work, the influx and increase of demons into one's nation and community, legalism, the negative volition of people, being around people who are selfish, proud, hateful and angry wear us down over time.

So one will say, what does that have to do with the antichrist wearing the saints down? The **little horn** refers to the antichrist, who will be the grand master of the Babylonian mystery religion and from day one the Protestant church has known this refers to the **pope of Rome!**

The pope got his foothold into America when the federal capitol of America was formed in 1790. The land was formerly known as Rome, Maryland and the White House took its name from the White family who lived on the land and were related to the Jesuits. Virginia was really named after the virgin Mary and Maryland was originally referred to as Mary's land.

It was the pope of Rome who was behind the Civil War of America actually backing both sides, the North and the South. When the North won the war it was the pope who was behind the 14th Amendment changing the course of history for America. It was in 1871 that a corporation was formed called the UNITED STATES OF AMERICA, (originally it was the Virginia Corporation), and a new constitution was formed called the Constitution of the United States of America, while the original one is called the constitution **for** the united states of America.

Over the years Admiralty jurisdiction, also called international law, crept into every part of our commerce here in America, along with the Uniform Commercial Code, also called the UCC. Nothing is done economically outside these two concepts. In 1945 the United Nations was formed with America now a subservient member state of it. In 1963 silver was no longer the base of our currency and in 1971 Nixon took the country off of the gold standard.

There is one corporation that is above all other corporations and this corporation rules the world and it is the Vatican. It rules over all businesses, nations, counties, cities and people. The USA, Inc. is a corporation; the states are incorporated now, the counties and cities; international businesses are incorporated, national businesses are incorporated, local businesses are incorporated, churches are incorporated, even the citizens are incorporated now. And the Vatican corporation is over them all.

Originally Rome was only a religious system fronting for business. It wasn't until February 11, 1929, when the Pope and the prime minister of Italy, Benito Mussolini, signed the Lateran Treaty **that the Vatican officially became a city!** Officially it is now known as the "State of the City of the Vatican" Babylon, which is present day Rome, that is the Vatican, is an ecclesiastical institution, a governmental organization and a business corporation; **and the Pope is the CEO of that corporation!**

So what legal instrument would bring the world's inhabitants under the control of an international, world dominating corporation? The answer is the **UCC**, the Uniform Commercial Code. The UCC dominates all trade on the face of the earth. There is not a nation, or its ports, or its leaders, or its people, or any business that is not governed by the UCC.

From what I've been able to determine Americans were brought under the UCC jurisdiction by the Federal Reserve Act of 1913 to serve as collateral so that the federal government could borrow money. Birth certificates were issued for each child designating that child as an artificial *person* at law under the UCC to serve as collateral for the national debt and were assigned a number. The legal term for these artificial persons is *person* from the Latin persona meaning a mask, as in contrast to a natural man or woman. **Persons** are not referred to as men and women, but males and females, because to them as cargo they are only male bodies and female bodies.

The reason why I bring this out is because all the laws and regulations concerning commerce from which the American people, Christians included, earn their livings are under the rule of the UCC and the Vatican corporation and the pope is the CEO of that corporation! All the laws and regulations that are handed down make it increasingly difficult to just ear a living. So in just this one area of commerce we can see how the saints are being worn down or out by the antichrist. (Jordan Maxwell has brought out that the UCC is Roman Catholic Canon law taken from Babylonian law.)

**Laws** are another thing that will grind believers down. Originally laws were enacted to protect the average man and woman in their comings and goings in life. But now laws and regulations have become so burdensome that they drain the life out of people. Lawyers representing moneyed-interests and larger corporations have done this like in ancient Israel. Luke 11:46, "*And he said, Woe unto you also, ye lawyers! for ye lade men with burdens grievous to be borne, and ye yourselves touch not the burdens with one of your fingers.*"

When a government passes laws of who you can hire or not, how you can run your business, the taxes you have to pay, the licenses you have to have, the insurance policies you have to have in place, even dictating inter-personal relationships in the work place, and have a bookkeeping force in place to keep up with the mountains of paper work you are required to keep and if you drop the ball in any area there will be serious repercussions, just this area alone wears people out and becomes serious trial for their faith, especially concerning the money they have to keep generating just to keep the doors open.

Because America is a member nation of the **United Nations** it is required to pass laws that reflect the UN's policies. That's why the Hate Crime bill was passed in America, which does away with people's God given right of freedom of speech, which was guaranteed in the Bill of Rights. The UN also passed a resolution guaranteeing the homosexual, lesbian, transgender agenda in spite of what the majority of Americans hold to, which is being reflected in a California bill outlawing the Bible. The antichrist, aka the pope was instrumental in establishing the UN in 1945.

Recently a Christian couple in Seattle was waken to court because they refused to bake a wedding cake for two lesbians. They were found guilty of these new laws and were forced to pay them \$135,000 in reparations for their hurt feelings. They lost their business and their finances as the result. Another example of the antichrist wearing out the people of God.

The pope and the UN are now calling for the confiscation of all firearms, thus disarming people taking away their God-given right and ability to protect themselves and doing away with the 2nd amendment as reflected in the Bill of Rights. This is another area in which the little horn of Babylon, the pope, is wearing out the people of God.

**Currency** manipulation by the pope's legions is another way the saints of God are being worn out. When you take a nation's currency off of the precious metals of gold and silver that God has ordained, then there is no stability for anyone. Inflation sets in and the value of people's earnings erode over the years. The money one saves for the future is worth less and less because of inflation. Money and income that people have established for their retirement will not sustain them down the road. People set up retirement accounts thinking I can live on a certain amount per month, but years down the road when they get to that place of retirement they find that it won't do it. People now, instead of retiring at age 62, or 65, are retiring at 70 because they can't make ends meet.

A deteriorating **employment** situation is another way that the antichrist is wearing believers out. When one can't find meaningful labor because the wages are too low, or there aren't enough jobs to go around, because immigrants have been brought into a nation due to the UN's immigration policies, or because most all the manufacturing jobs have been exported overseas, then millions of God's people are being worn out. The latest statistics show that 41 % of the American people cannot afford to pay for the basics of rent, food and other basic needs. They are a \$400 unexpected bill away from being put out on the street. Live through that and tell me that doesn't wear you out.

**Deteriorating social norms** will wear believers out just like they did with Job. 2 Peter 2:7,8. "*And delivered just Lot, vexed with the filthy conversation of the wicked: (For that righteous man dwelling among them, in seeing and hearing, vexed his righteous soul from day to day with their unlawful deeds;)*" To **vex**, *basanizō*, meant to torment. And if one is tormented constantly by the words and actions of evil people you live around, in time, will wear you out!

Having to live around people who reflect what Paul described in 2 Timothy 3:1-5 will wear any believer out. "*But mark this: There will be **terrible times in the last days**. People will be lovers of themselves, lovers of money, boastful, proud, abusive, disobedient to their parents, ungrateful, unholy, without love, unforgiving, slanderous, without self-control, brutal, not lovers of the good, treacherous, rash, conceited, lovers of pleasure rather than lovers of God— having a form of godliness but denying its power. Have nothing to do with such people.*"

**Terrible times**, or **perilous times** is *chalepos* and it denotes a condition that is extremely difficult to live in; a time that will make it very stressful on the believer who tries to live by faith in the filling of the Holy Spirit, a time that is made difficult because of the people you have to live around making it hard to live in the spiritual life dynamic. When a believer is under this constant stress because of the people in society that he or she has to live around, it will wear believers out.

The Bible uses the word **lusts** to translate *epithumeo*; the problem is that most equate the word lusts to things such as the lust for sex, drugs, etc., when it is a middle English word used to denote desires, or strong desires. Today we would define *epithumia* as 1) **desire** – a strong feeling or craving for anything that brings enjoyment or satisfaction that impels the individual to the attainment of the thing desired, whatever that thing is. 2) **drive** – a strong motivation that prompts the activity needed toward fulfilling or gratifying that desire. 3) **compulsion** – a very strong, almost irresistible impulse to perform an act, sometimes even against one's will. 4) **obsession** – the domination of the thoughts or feelings by a persistent idea, image, or desire; a preoccupation with a fixed idea, or feeling. 5) **gratification** – a temporary fulfilling of the desire, but it never leaves the individual satisfied; they must go off for more, either in that area, or another area.

Living in a time of **apostasy** is difficult for doctrinal believers because it's very hard to find anyone to fellowship over the Word of God; they're not interested in it that's why they're apostate! Friends break up over this very issue; a spouse will leave their mate because they're interested in another person now, or because they just want to go out and gratify their lusts in the world system. Another reason is because they're apostasy will bring down judgment on the nation in which you live. It's also difficult to maintain your own spiritual walk with the Lord when your surrounded by so much carnality and worldliness, especially when you were close to these people at one time. The tendency is one gets to start feeling more lonely in all this thus wearing you out.

When the **Holy Spirit stops restraining evil** at the end of the Age this will end up in the rise of evil worldwide, including our own areas we live in, and now the doctrinal believer will have to contend with that thus wearing him out. 2 Thessalonians 2:7, "*For the mystery of iniquity doth already work: only he who now letteth will let, until he be taken out of the way.*" **Taken out of the way** is *arti heos ek mesou genetai*. This has the idea that the Holy Spirit is standing in the way of evil restraining it, but is taken out of the way with the result that evil runs freely to its end.

Another problem doctrinal believers will have to contend with adding to the things that wear them down or wear them out is the spirit of delusion that will be set loose on the earth. 2 Thessalonians 2:11, "*And for this cause God shall send them strong delusion, that they should believe a lie:*" The **strong delusion** is *energeian planes* and it refers to a demonic spirit that will be unleashed on the world to lead people away from the truth.

God did it before in ancient Israel, 1 Kings 22:22, "*And the LORD said unto him, Wherewith? And he said, I will go forth, and I will be a lying spirit in the mouth of all his prophets. And he said, Thou shalt persuade him, and prevail also: go forth, and do so.*" and he will do it again only on a worldwide scale leading people away from truth, which will also result in them also losing their mental faculties of rational thought. These people will become very irrational, even violent, which we are seeing today across the country. The word *planē* means to lead astray, which implies that they were first deceived! And they've got no one to blame because they didn't want the truth. 2 Thessalonians 2:10, "*And with all deceivableness of unrighteousness in them that perish; because they received not the love of the truth, that they might be saved.*"

The **increase of demons** into one's nation and communities will also wear believers out over having to deal with so much demonic activity, which they didn't have before. These newly arrived demon hoards will come about as the result of: 1) people turning away from the truth, which will create a vacuum in their souls thus providing an opportunity for demon possession, or demonic influence; 2) the hoards of people from countries that worship demons and are motivated by demons will be flooding the shores of one's country bringing in more demons to deal with; 3) the increase of the angelic conflict where demons will be coming from the cosmos to earth to prepare the leaders of the world to do battle with Jesus Christ when he returns; 4) TV and movies spreading the demonic influx.

What we need to see in all this is the antichrist is the one doing this through the pope and the many organizations under him and it is happening right now! Daniel 7:25, "*And he shall speak great words against the most High, and shall wear out the saints of the most High, and think to change times and laws: and they shall be given into his hand until a time and times and the dividing of time.*"

This **pope** has already stated publicly that the Bible is a dangerous book! Well it is to him and his countless minions operating under Satan because it is the truth! He has also endorsed homosexuality and lesbianism, which also is a part of the UN agenda for America. And if you doubt that, the Jesuit priest Brown's decision to restrict California's water use is the result of Agenda 21 from the UN, which is being followed by many other draconian laws from the UN. He has also called for the disarming of the America people, for doing away with the Bill of Rights and our Constitution, for doing away with national sovereignty and self-determination and bring us under the control of the UN! This wears many believers out as they try to fight all this. It is the EU under the pope that is bringing all the Muslim savages into Europe raping and killing its people. Pastor Mike
